3. CHARGE

Pursuant to Act 176, Public Acts of 1939, as amended (Labor Mediation Act) or Act 336, Public Acts of 1947, as amended (Public Employment Relations Act) (cross out one), the undersigned charges that the above-named party has engaged in and is engaging in unfair labor practices within the meaning of Section(s) 10(1)(a, e) of the Act, in that: (Specify in detail the alleged violation, stating the facts supporting the charge including names, dates, places, etc. Use additional sheets if necessary; documentary material and exhibits should be retained until the hearing.)

Charging Party is a coalition of City of Detroit Unions ("Coalition"), so entitled. The Coalition consists of thirty-three (33) unions with members employed by the City of Detroit, the Respondent Employer. Most of the bargaining agreements of the unions within the Coalition terminate by their natural terms on June 30, 2012. The City is refusing to bargain toward new contracts, following the June 30th end date of the existing contracts, before imposing new contract terms on the Unions. The City is providing the Coalition Unions with a copy of the sixty-two pages of new terms, but giving merely hours for the Unions to review the proposed changes.

These new employment terms constitute regressive bargaining from the Tentative Agreement executed by the City and the Coalition on February 1, 2012, without justification for such regression. The City is unilaterally establishing new terms and conditions of employment without bargaining to impasse. The rushed discussion of these new terms constitutes bad faith bargaining, and the City is proposing these terms without expecting the Unions to agree to such given that they are so onerous. Charging Party seeks an immediate ruling on this issue.
